NGSA Welcomes Senate Confirmation of CFTC Commissioners Quintenz and Benham and Chairman Giancarlo

(Washington, D.C.) -- Dena E. Wiggins, president and CEO of the Natural Gas Supply Association, praised the Senate for its vote today to confirm Brian Quintenz and Rostin "Russ" Benham as commissioners on the Commodity Futures Trading Commission, as well as confirmation of Acting Chairman Chris Giancarlo to be Chairman.

Wiggins said:

"We look forward to working with the new Commissioners and Chairman at the CFTC. Together these three individuals bring years of experience and knowledge of commodity markets. They will lend valuable insight to the CFTC in its continued implementation of Dodd-Frank. We hope their contribution will facilitate a robust and healthy natural gas market, which fosters the investment essential to U.S. economic growth."
