NGSA Welcomes Senate Confirmation of CFTC Commissioners Stump and Berkovitz

(Washington, D.C.) -- Dena E. Wiggins, president and CEO of the Natural Gas Supply Association, praised the Senate for its vote today to confirm Dawn Stump and Dan Berkovitz as commissioners on the Commodity Futures Trading Commission.

Wiggins said:

“We look forward to working with the new Commissioners and are pleased that the CFTC now has five commissioners. With the added insight of the two new commissioners, the Commission can focus on its continued implementation of Dodd-Frank. We hope their contribution will facilitate a robust and healthy natural gas market, which fosters the investment essential to U.S. economic growth.”
