

Carol Butler
Executive Assistant to the President,
Office Manager and Meetings Coordinator

Carol Butler is the Executive Assistant to the President and CEO of the Natural Gas Supply Association (NGSA). She is also NGSA's Office Manager and Meetings Coordinator.

Carol oversees the administration of the Executive Office and works in tandem with the President and CEO and across the organization to ensure continued alignment on NGSA's strategic priorities. She leads support services for the operational and planning functions at NGSA's headquarters.

For over 25 years, Carol has held executive assistant positions in the technology and non-profit healthcare industries, including the National Committee for Quality Assurance and Automated Business Systems and Services (ABSS) where she arranged multi-state political fundraisers for members of Congress, governors, mayors, and county executives.

Carol is a graduate of Prince George's Community College in Maryland.
